"Who is a Gold Star Mother?" During the early days of World War I, a Blue Star was used to represent each person, man or woman in the Military Service of the United States. As the war progressed and men were killed in combat, others wounded and died of their wounds or disease, there came about the accepted usage of the Gold Star.

This Gold Star was substituted and superimposed upon the blue Star in such a manner as to entirely cover it. The idea of the Gold Star was that the honor and glory accorded the person for his supreme sacrifice in offering for his country, the last full measure of devotion and pride of the family in this sacrifice, rather than the sense of personal loss which would be represented by the mourning symbols.

LAST SUNDAY OF SEPTEMBER IS "GOLD STAR MOTHER'S DAY"

CHAPTER 2256 – PRESIDENT’S WELCOME

Welcome AMVETS Riders,

On behalf of AMVETS Post 2256, it is our honor to welcome you to our Mid-Year Convention here in Circleville, Ohio. We are proud to host you and look forward to serving you during your meetings and camaraderie.

Our post was established in 1980, with our call number—2256—paying tribute to our original location at the crossroads of U.S. Route 22 and U.S. Route 56. More importantly, we carry the name of Captain William J. Barthelmas, Jr., a U.S. Air Force pilot and Silver Star recipient who made the ultimate sacrifice in Vietnam. As Pickaway County’s first Vietnam casualty, his service and dedication to our country remain at the heart of our mission.

We take great pride in honoring our veterans, supporting local initiatives, and fostering a welcoming environment for all who walk through our doors. Whether you're here to conduct business, connect with fellow riders, or simply enjoy the brotherhood that makes AMVETS so special, know that you have a home with us.

Welcome to AMVETS Post 2256—we’re grateful to have you here and wish you a productive and enjoyable convention!

3. Each Convention reporting committee shall consider only resolutions in which the subject matter pertains to the duties and functions of that particular committee. Resolutions that a committee does not consider its proper charge shall be referred by such committee to the proper committee. All resolutions received by the Resolutions Committee shall be assigned to one or more appropriated National Committees. The Resolutions Committee shall take no further actions on resolutions other than assignment or reassignment. Decisions involving the assignment or reassignment of resolutions by the Resolutions Committee shall be final, including the return of a resolution to the committee to which it was originally assigned.
4. All Committee Chairpersons or their designated committee representatives shall be present on the Convention floor during the consideration of resolutions to report committee recommendations. Upon receiving a second, the Convention Chairperson shall open debate by requesting the considering committee(s) recommendation. The floor shall be permitted only one time to any individual delegate on any subject except by unanimous consent of the delegates present, however, a delegate who originally proposes a matter may be accorded on minute rebuttal.

VI-VOTING

1. Each delegate shall be entitled to one vote. An alternate shall have all the rights and privileges of their delegate except they shall vote only in the delegates' absence. No delegates vote will be counted unless he/she can present valid proof of their registration.
2. Voting shall be by voice, hand or secret ballot at the discretion of the presiding office, except when a roll call is ordered by the chairperson or upon request of at least five (5) Chapter delegations.
3. Each Chapter shall select a chair- person who shall announce the vote of his/her delegation. When any delegate thereof entitled to vote demands the roll call of any Chapter/Department delegation, the Credentials Chairperson, using the registration file, shall call the roll of Chapters and the names of the delegates appearing therein. As each delegate's name is called, he/she shall then be required to announce his/her vote at a floor microphone so that it may be officially recorded. Subject to the above limitations, any voting delegate of the Convention may demand a count of any delegation thus casting its vote for the sole purpose of determining whether an equal number of voting delegates present on the convention floor supports the announce vote. If there are fewer delegates present on the floor than the votes announced, then the Credentials Committee shall use the registration file to poll the delegation(s) to obtain the correct count.
4. Votes cast by a Chapter cannot be challenged after the next Department has been called.
5. Unit rule and proxy voting will not be permitted.

VII-COMMITTEE REPORTS

1. Each reporting committee chairperson or his/her substitute shall present a report of that committees meeting to the Convention body for approval.

5. No person shall be nominated for or accept a nomination for more than one (1) National Office.

IX-ELECTIONS

1. Election of all National Officers shall be by delegates present and voting on the convention floor. After the second ballot for any office, the candidate receiving the lowest number of votes shall be dropped on the succeeding ballot. Following each ballot thereafter, the candidate receiving the fewest votes will be eliminated from the ballot and balloting will continue in this manner until one candidate receives the majority of the votes cast.
2. A candidate elected to and accepting a National Office shall be ineligible for nomination or election for any other National Office.
3. All voting shall be by hand or voice or secret ballot. If a roll call vote is requested no Chapter may change or correct its vote or be challenged by a delegate of that Chapter within the same ballot after the next Chapter has been recognized. A Chapter may pass, however, when first called upon to vote.

1. A section or sections of these rules may be suspended by a two-thirds vote of the delegates present on the floor if such suspension is not in conflict with the National Constitution and By-laws.

We the Amvets Riders are a dedicated and patriotic group of motorcycle riders who hold true to an unwavering respect for our Nation, our Flag, and our Military...past, present and future.

Welcome to all at Mid-Year or home. We hope to have a productive weekend in Ohio. I am proud to say we have mastered the reporting finally. It looks like almost all Chapters reporting are doing a great job, however we have quite a few non reporting and they are scattered nationwide. 2nd Vices, please check your Chapters for up-to-date reports. As a nation we are approximately \$45 million dollars as of end of March. Florida and Ohio are separated by only \$1 million dollars going to Florida. Also, for those needing information on how to report it can be found on our website (amvetsridersnation.org) in the Training Resources section under the PUBLICATIONS tab and our FaceBook group (AMVETS Riders National). These tutorials are very well put together and will walk you through the reporting process. Keep up the reporting Riders Nation! We are the leading Amvets Family by far in reporting. Congrats to all!

We have Bimonthly Video Calls for Dept. 2nd Vices. Our best turnout thus far has been 3 departments. We can't do much without input from you all. Thank you for trusting in me to get us on track again. Couldn't have done it without you all Nationwide.

AMVETS Riders National Treasurer

Greetings Legendary AMVETS Riders,

Welcome to the 2025 Mid-Year Rally. Thank you to Chapter 2256 for hosting us this year. Thank you for electing me to serve as the National Treasurer, it has been an honor and privilege. We have migrated to Quicken to track our National AMVETS Riders budget and expenses. This migration will help reduce potential errors with tracking expenses in a spreadsheet and allows viewing of historical, current, and forecast budgets and expenses.

Since the National Convention I have been fortunate to participate in the following activities:

- November 10-11, 2024: National Veterans Day Observance at Arlington National Cemetery.
- March 11-13: Legislative Action Week (LAW) in Washington, DC. During LAW we met with members of Congress and Senators to advocate for our Veterans. If you have not participated in this event, I encourage you to get involved and attend next year.

Remember to support your Parent Organization; AMVETS, Ladies Auxiliary, and Sons of AMVETS. Remember we are AMVETS first and encourage you to participate in your local Chapter and Department AMVETS Riders events.

Thank you to all who have helped sell tickets for our National Fundraiser. This annual fundraiser is the National AMVETS Riders main source of income to allow your officers to travel to National events as well as Department, and Chapter events as requested by our membership. If you would like a National Officer to attend your event, please complete the National Officer Request form at <https://www.amvetsridersnational.org>.

I encourage you to participate in the trainings available during Mid-Year, these are great opportunities to learn responsibilities for office(s) that you currently hold, are interested in holding and for awareness to what each position is responsible for. Attached within is the proposed amended budget for 2024-2025 as well as the proposed budget for 2025-2026.

AMVETS Riders National Judge Advocate

Greetings Legendary AMVETS Riders

Welcome to the AMVETS Riders National Mid-Year Rally. I certainly hope that your Mid-Year Rally experience is one of learning and camaraderie regardless of if this is your first or 10th National Mid-Year Rally.

This is the meeting where we can change or add to the National SOP's and learn how to properly submit a resolution to the Unified Constitution and By-Laws. So, if you have any ideas that can make the Organization better, please come to the CBL committee meeting and let's get your ideas talked about and properly formatted.

I certainly hope that your experience at the National Mid-Year Rally and in Ohio is a fulfilling one.

AMVETS Riders National Sergeant at Arms

Welcome family, to the 2025 Mid-Year Rally and to OH2256

Greetings to all, hope you had a trouble-free trip here to Circleville Ohio. It's always a great time at the Mid-Year Rally, so I'm excited for this weekend. There's always something new to learn, someone new to meet and always new conversations to be shared together. Being spread out across this great nation, it's nice to see each other even if it's just a couple times a year.

As stated in the pre-rally letter I had sent out. We will be discussing the uniformity of our vests and how we, all together, can work as one to get the few out there in order in a short course of time hopefully. I'll also be putting together a video in the near future on patch placement, Granted I find someone to magically give me some tech savvy smarts to do so. But we will get one up soon. If you have any questions at all we are here to give and or get you the information you've requested.

I'm looking forward to talking with you all. Hoping you get everything you expected and more from this weekend. I'm here to learn as well, and it's easier when we are all around each other and bring the positive vibe that the Legendary AMVETS Riders always bring to the table.

Much love and respect to all.

AMVETS Riders National Chaplain

Greetings Legendary AMVETS Riders!

I am honored to continue serving as your Riders National Chaplain. I know we have been through some difficult times already this year. We've lost some close friends and had some really close calls. I want to encourage you to continue reaching out with the Last Chapter and Death Benefit requests. These exist to honor our fallen brothers and sisters. Please continue sending your prayer requests through the Chaplain's Corner on the Riders website, as well.

The Gold Star Fundraiser is underway and I'm looking forward to another great year of honoring those families that have made the ultimate sacrifice for our freedom. If you, your post or chapter, your business, or anyone you know would like to donate please check the Riders website for a copy of the donation form.

If you'd like to be involved or just want more information about any of the Gold Star activities happening during RTR please feel free to attend the Gold Star Committee meeting.

I am grateful for the opportunity to serve our Riders Nation. If there is anything I can do for you, please don't hesitate to reach out.

I enjoy the increased presence of the AMVETS Riders on your Facebook posts showing what you are doing to honor our Veterans, active-duty military, and your local communities. I encourage you to continue spreading our message and to increase your public and social media profile. The more people we reach will help grow our organization and help our voices to be heard.
