Member Name and Number (print)	Chapter	Dept. or State	Date
--------------------------------	---------	----------------	------

- Widow/Widower** – An existing Rider member who becomes a widow/widower shall remain a rider member as long as they remain a member in good standing with both their parent organization as well as the Riders organization. This must be verified by the Chapter President.

- Hardship** – An existing Riders who becomes temporarily disabled or incurs a personal hardship that would keep them from owning, registering, or insuring a motorcycle may file for a hardship status change that would allow them to maintain their Rider status. This hardship status may be granted for a maximum of 18 months at which time their status would change to Supporter. They must remain a member in good standing with both their parent organization as well as the Riders organization. This must be accepted and approved by the Chapter President.

- Disability** – An existing Rider who becomes totally disabled and no longer can operate a motorcycle shall remain a rider member as long as they remain a member in good standing with both the parent organization as well as the Riders organization. Documentation must be presented to the Chapter President to verify the disability.

Chapter President Affidavit

By signing this form, I attest that the above information has been verified (widow/widower, disability) or is true to the best of knowledge (hardship) and I approve the membership status change indicated.
