

## 2024 Rolling to Remember - Gold Star Fundraiser

Fellow Patriots,

As most of you know the **AMVETS** has picked up the torch to carry on the tradition now known as **Rolling to Remember**. On May 26<sup>th</sup>, 2024 - Memorial Day weekend, the Demonstration ride will occur. The AMVETS organization has grown and evolved over the years to best serve each new generation of veterans and their families. We at **AMVETS** are proud to continue the mission to raise awareness for critical issues facing Our Nation's Veterans. We also maintain awareness for the more than 82,000 service members MIA (Missing in Action), we will not rest until they are all brought home. We also raise awareness for the 22 veterans a day, on average, who die by suicide as a direct result from trauma: both Physical and Mental while Serving Our Nation.

At the front of the **Rolling to Remember** Demonstration Ride will be the **Gold Star Escort**, which is a big part of the ride every year. Patriotic volunteers on motorcycles provide Gold Star Mothers and family members a chance to be a part of this very important event by riding in the demonstration ride at the front on motorcycles with **AMVETS Riders** and other Patriotic Riders.

In addition, we honor these **Gold Star Mothers** and Families at a Banquet the day before. This serves 2 purposes.

1. It gives them a chance to meet other Gold Star Families and share comradery and stories about their lost loved ones.
2. It also gives them a chance to meet the volunteers who will be providing them with the motorcycle ride-escort before the event and know what to expect on the demonstration ride.

As you may know, **AMVETS** is a nonprofit Veterans Service Organization, and this event will incur substantial cost. We are asking for your help in the form of a donation to help ensure that we can continue to honor our Gold Star Mothers, Wives and Family members throughout the festivities Memorial Day Weekend. Along with the banquet your donation will also help provide transportation to and from the Banquet and the weekend's events, including the staging area the morning of the ride (via buses and vans that would need to be rented).

Sincerely,

*Gold Star Committee*
